## What words mean

#### What is covered

If a **vehicle** has **broken down** in the **territory** or the Republic of Ireland during the **period of cover** and more than a 1/4 of a mile from **your home** as measured by **us**, **we'll** provide an **RAC patrol** or an **RAC contractor** to either:

- repair the **vehicle** at the roadside; or
- if **we're** unable to permanently repair the **vehicle** at the roadside (within a reasonable time), **we'll** decide, based upon **our** technical expertise in **breakdown** situations, either to provide a temporary repair to the **broken down vehicle** at the roadside or transport the **broken down vehicle** (and any **caravan** or **trailer** attached to it) to a destination chosen by the **driver** within 10 miles of the **breakdown** as measured by **us**. **We'll** only transport the **caravan** or **trailer** if the **vehicle** has **broken down**.

If **we** transport the **broken down vehicle** (and any **caravan** or **trailer** attached to it) to a destination of the **driver's** choice, **we** will either:

- provide transport for the **driver** and up to 8 passengers, of the **broken down vehicle** to that chosen destination. If more than five people require transportation, **we** may need to provide transport in separate **vehicles**; or
- if the **driver** chooses for **us** to transport the **vehicle** to a garage, **we'll** reimburse the **driver's** taxi fare for a taxi journey to a destination up to 20 miles from the garage for the **driver** and up to 8 passengers of the **broken down vehicle** as long as this is agreed with **us** in advance. In order to **claim** a reimbursement of the taxi fare, **you** must send the receipt for the taxi journey to **us** at the **breakdown** customer care address shown in Section Complaints.

The parts must be paid for in full at the time of the **breakdown** and before the repair starts. **We'll** not fit any parts (including batteries) bought from any third party. This is to make sure that parts are fitted from reputable sources in order to avoid further **call outs** under **RAC Breakdown Cover**;
- Any **breakdown** resulting from a fault where **we** have previously provided **breakdown** cover for that fault and either:
  - **we** consider, acting reasonably, that the original fault, including faulty battery, has not been properly repaired or replaced, by party other than the **RAC**; or

If the **driver** is travelling in an MPV or similar **vehicle** we may arrange two hire cars. **We'll** only arrange this if there are two qualified **drivers** in the **party**. Otherwise **we'll** arrange alternative means of transport. Car hire arranged under this Section F will be subject to the normal conditions of the hiring company. **We** use reputable car hire companies with market standard terms and conditions which the **driver** must fully comply with. The **driver** must also have held a full UK driving licence or equivalent for a minimum of 1 year (2 years for France). The **driver** must present **their** driving licence to the hire company and present **their** full UK driving licence, National Insurance number and any other information requested.

The **driver's** valid credit card details will also be required by the hire company and the card must be presented to the hire company as security for the hire and to cover extras such as top up of the fuel tank when returning the vehicle.

The **driver** will need to collect a replacement vehicle from the nearest available place of supply. If this is the case, **we'll** provide transportation to the place of supply subject to these terms and conditions.

If the **driver** leaves a hire car at a different location to the one arranged by the **RAC**, the **driver** must pay the hire car company any additional charges which may be made and any additional cost relating to the rental.

Collision Damage Waiver (CDW). Please note that many car hire companies across **Europe** charge a damage excess which is not covered by the CDW. This means that if the car is damaged during the hire period the driver could be liable for the first portion of the cost, which is likely to be over £150, and have **their** credit card charged. In some cases the amount could be much higher and varies according to the hire company, category of hire car and location. The CDW covers the amount above the excess.

Most hire car companies will not permit **their** vehicle to cross certain national borders. It may be necessary to arrange multiple hires or additional transport in order to complete the **journey** within the limits of this cover. A car hired abroad must not be brought into the **territory**. A second car hire will be arranged for the **territory** part of the **journey**. Please note that continental hire cars must be returned to the nearest appropriate hire car agency before boarding the ferry. Passengers may be required to travel as foot passengers to the **territory** where the **driver** will collect any necessary onward transportation.

**We** cannot guarantee a hire car will be available.

**We** cannot arrange the hire of motorised caravans, motorcycles, convertibles or vehicles with tow bar, roof rack or automatic gearbox and cannot guarantee the hire of minibuses or vans.

While **we** use a range of reputable car hire companies, **we** cannot guarantee that a replacement vehicle will be immediately available or in time to connect with any pre-booked ferry, train or other transport. If this is the case, **we'll** provide the **driver** with a replacement vehicle as soon as possible (if a replacement vehicle is still required).

### **Caravans and trailers**

**We** do **our** best to find solutions to motoring problems, but **we** regret that **we** can't arrange a replacement **caravan** or **trailer**. It is also virtually impossible to hire vehicles with tow bars so the **driver** may need to leave the **caravan** or **trailer** with the **vehicle** while it's being repaired and it may become necessary to repatriate the **caravan** or **trailer** together with the **vehicle**, if the **vehicle** cannot be repaired abroad by the return date.

### **Important**

Please note that cover is not available for **breakdowns** or **road traffic accidents** suffered by **caravans** or **trailers** and **we'll** only recover or repatriate a **caravan** or **trailer**, subject to the dimension limitations within definitions above, if the **vehicle** towing such **caravan** or **trailer** has **broken down** or suffered a **road traffic accident**. **We** may be able to provide services to a **broken down trailer** or **caravan**, but such service will only be provided at an additional cost.

### **Motor insurance and vehicle warranty**

Cover under this Section F does not replace motor vehicle insurance. **We** strongly recommend **you** tell **your** motor insurers before taking a **vehicle** abroad. If **you** do not, the motor insurance policy may only provide cover for damage caused to other people or their property. This means that there will not be cover for damage to the **vehicle** (including damage caused by fire) or theft of the **vehicle**. The insurers will also need to know if the **vehicle** is towing a **caravan** or **trailer**.

If the **vehicle** has a manufacturer's or other mechanical warranty, **we'll** provide emergency assistance but **you** are responsible for ensuring subsequent repairs are in accordance with the warranty and do not invalidate it.

### Disruption in country

**Our** service in certain countries may become disrupted or unavailable due to current conditions in that country. For example, strike action may delay or prevent **our** service under this Section F. If this is the case, **we'll** not be liable for any losses that the **driver** may suffer as a result of the disruption or unavailability of **our** services. To obtain current information on conditions in the countries the **driver** is travelling to, please refer to the Foreign and Commonwealth Office website at:

<https://www.gov.uk/government/organisations/foreign-commonwealth-office>

or email: [TravelAdvicePublicEnquiries@fco.gov.uk](mailto:TravelAdvicePublicEnquiries@fco.gov.uk)

### Limits of cover

The cover under Section F is subject to an aggregate overall limit of £2,500 per **claim** and is subject to the further limits of cover in respect of each type of cover.

This Section F provides cover for **journeys** during the term of **your** policy, but each **journey** is limited to a maximum of 90 days and each **journey** must fall within the **period of cover**. **We'll** not provide cover for a **journey** if the **vehicle** will not return to the **territory** within the **period of cover**. If the end of any **journey** will be outside the **period of cover**, **you'll** need to renew the cover before the **driver** starts the **journey**. If, however, the **vehicle** is due to return to the **territory** within the **period of cover** but it's delayed due to a **road traffic accident** or **breakdown** that is covered by this Section F, **we'll** provide cover for that **journey**.

### The Sections of European Motoring Assistance

In the event that the **vehicle** has **broken down** or has been in a **road traffic accident**, the **RAC patrol**, **RAC contractor** or **service provider** that attends the **breakdown** or **road traffic accident** will carry out a preliminary fault diagnosis to confirm whether the **vehicle** can be repaired within 12 hours and, if not, whether:

- it can be repaired by the date that the **driver** originally planned to return to the **territory**;
- it requires repatriation to the **territory**; or
- it is **beyond commercial economical repair**.

The **driver's** request for **breakdown** or **road traffic accident** assistance will act as authorisation for **us** to arrange the fault diagnosis and determine the best course of action based upon **our** technical expertise in these situations.

**We'll** then discuss the preliminary fault diagnosis with the **driver** and determine which other benefits may be available under this Section F as a result of the **claim**. For example, if the repairs cannot be completed within 12 hours, **we'll** discuss whether the **driver** would like **us** to arrange transport to continue the **journey** to the original destination (under Section F3) or arrange accommodation while the **driver** waits for the repair to be completed (under Section F5). These alternatives will be discussed with the **driver** at the outset so that the best course of action can be agreed. **We** will have the final say on the best course of action if this cannot be agreed.

If there is a change to the preliminary fault diagnosis at any time, **we'll** discuss this with the **driver** and determine if the benefits provided under this Section F should change as a result.

If the **vehicle** cannot be repaired by the date that the **driver** originally planned to return to the **territory**, and it's agreed to repatriate the **vehicle**, the **driver** and the **party**, all other cover under this Section F will cease. This will also apply where the preliminary fault diagnosis changes and it's agreed to repatriate the **vehicle** and the **driver** and the **party**.

**We'll** pay the **RAC patrol**, **RAC contractor** or **service provider's** fees to carry out the preliminary fault diagnosis of the **vehicle**.

### Important

Whilst **we'll** help with the arrangements and progress of any workshop repairs, if requested by the **driver**, these repairs are not covered under this policy. Any information regarding the cost of repairs provided by **us** is of an advisory nature only. The repairer will be working for the **driver** and we have no legal responsibility to the **driver** for their efficiency or quality of the repairs.

### Section F1: Journey continuation in the territory

#### What is covered

If a **vehicle** has **broken down** in the **territory** during the **period of cover** within 24 hours of the planned departure date of the **journey** from the **territory** and, following an **RAC patrol** or an **RAC contractor** attending the **breakdown**, **we're** unable to repair the **vehicle** once **we** have decided that **we** cannot get the **vehicle** repaired locally within 24 hours, **we'll** arrange and pay for the cost of a replacement car (including collision damage waiver) to enable the **driver** to continue the **journey**. **We'll** contribute up to £125 per day up to £750.

#### What is not covered

- A **breakdown** during a **journey** where the **breakdown** occurs more than 24 hours prior to the planned **journey**;
- Fuel and oil costs, personal insurance or any other extra costs;
- The excess payable under any insurance for the replacement vehicle; or
- A replacement car following a **road traffic accident** in the **territory**.

**OUR PROMISE:**

---

**RAC – European Motoring Assistance. We'll help you continue your journey if your vehicle has broken down or been in a road traffic accident in Europe**

(see pages 60-87)

## Section F2: Roadside assistance in Europe

### What is covered

If a **vehicle** has **broken down** or been in a **road traffic accident** in **Europe** during a **journey** during the **period of cover**, **we'll** arrange and pay for a **service provider** to either:

- repair the **vehicle** at the roadside; or
- if they are unable to permanently repair the **vehicle** at the roadside, **we** together with the **service provider** will decide to either:
  - arrange for a temporary repair to the **vehicle** at the roadside; or
  - arrange transportation of the **vehicle** to a local repairer. Where the **vehicle** has been recovered to a local repairer following a **breakdown** and the local repairer is able to repair the **vehicle** on the same day as the **breakdown**, **we'll** contribute up to £150 towards the local repairer's labour charges for repairing the **vehicle**.

### What is not covered

- Repair costs, including labour charges, if the **vehicle** was in a **road traffic accident**;
- If the **vehicle** cannot be driven due to a **road traffic accident**, any damage which **you** or the **driver** are entitled to have repaired by **your** motor insurers must be reported to them immediately. **Your** insurers must decide whether to authorise repairs abroad or have the **vehicle** repatriated. **We** cannot repair the **vehicle**.
- Repair costs if, in **our** reasonable opinion, the **vehicle** is **beyond commercial economical repair**;
- Any costs for non-emergency repairs such as satellite navigation or air conditioning or climate control faults which do not affect the mobility or security of the **vehicle**, nor render it unsafe to drive;
- The cost of any parts required to repair the **vehicle**;
- Repair costs not directly necessary to enable the **vehicle** to continue the **journey**; or
- If the vehicle suffers a breakdown as a result of mis-fuelling **we'll** not repair the **vehicle** (including not draining or removing the fuel). **We'll** only recover the **vehicle** to a local repairer. **We** may be able to repair the **vehicle** and/or arrange recovery of the vehicle to another location for an additional charge. Any further service under this Section F will not be provided.

### Section F3: Journey continuation in Europe or return home

Cover under this Section F3 is not available if **you** benefit from additional accommodation expenses under Section F5.

#### What is covered

If the **vehicle** has **broken down** or been in a **road traffic accident** in **Europe** during a **journey** during the **period of cover** and, following a **service provider** attending in accordance with Section F2, the **vehicle** cannot be repaired in accordance with Section F2 within 12 hours of the **breakdown** or **road traffic accident**, **we'll** arrange and pay up to £125 per day up to a maximum of £1,500 for the **driver** and the **party** to continue the **journey** by any one or a combination of:

- a replacement hire car (including collision damage waiver);
- second/standard class rail or air travel; and/or
- local taxi fares authorised by us in advance.

Cover under this Section F3 will stop once the **vehicle** has been repaired to a roadworthy condition and **you** or the **driver** have been notified. Once **you** or the **driver** are notified that this is the case, the **driver** must return any hire car to the place of collection of the hire car or can choose to keep the hire car for an additional period to continue the intended **journey**; however, all additional hire car costs are payable by the **driver** and will be charged to the **driver's** credit card.

#### What is not covered

- Fuel and oil costs, personal insurance or any other extra costs;
- The excess payable under any insurance for the replacement vehicle;
- The cost of any replacement vehicle after 24 hours (or such other time agreed with us) the **driver** being notified that the **vehicle** has been repaired or is to be repatriated or is **beyond commercial economical repair**;
- First class rail and air fares;
- The costs of meals or any other expenses; or
- Any costs during the receipt of any benefits under Section F5.

### Section F4: Replacement parts dispatch

#### What is covered

If a **vehicle** has **broken down** in **Europe** during a **journey** during the **period of cover** and, following a **service provider** attending the **breakdown** in accordance with Section F2, the **vehicle** requires replacement part(s) necessary to complete repairs to it, but those parts are not obtainable locally, **we** will, (subject to availability) arrange the purchase of such replacement parts and arrange and pay for:

- the freight, handling and ancillary charges for dispatch of the replacement parts to the **vehicle** or an appropriate railway station or airport; and
- if the parts are dispatched to a railway station or airport, the cost of one person to collect the parts from the railway station or airport if required.

#### What is not covered

The cost of the parts, which must be paid for when the **driver** telephones **us** to arrange for the parts to be dispatched. The **driver** will be asked for credit card details and **we'll** take payment before dispatch.

#### Important

**We'll** arrange to dispatch parts as quickly as possible, but delays may occur at weekends and bank holidays so **we** cannot guarantee when these will arrive. **We'll** not be responsible for errors made by the manufacturers or suppliers of the parts.

**We** use a range of reputable suppliers to source replacement parts; however, **we** cannot guarantee the availability of replacement parts, especially for older or specialist **vehicles**, for which parts may be impossible to locate.

### Section F5: Additional accommodation expenses

Cover under this Section is not available if you benefit from Journey continuation under Section F3.

#### What is covered

If a **vehicle** has **broken down** or been in a **road traffic accident** in **Europe** during a **journey** during the **period of cover** and, following a **service provider** attending in accordance with Section F2 the **vehicle** cannot be repaired within 12 hours of the **breakdown** or **road traffic accident**, **we** will, subject to the overall limits of cover, arrange and pay a contribution of £30 per person per night up to a maximum of £500 towards additional (not alternative) accommodation for the **driver** and the **party** in a hotel of **our** choice whilst waiting for the **vehicle** to be repaired. **We** will also pay for local taxi fares authorised by **us** in advance between the place of repair and the accommodation.

#### What is not covered

- Any accommodation costs that the **driver** or the passengers would have otherwise incurred on the **journey**;
- Any accommodation costs if the **driver** has alternative accommodation available for use;
- Any accommodation costs once **you** or the **driver** have been notified that the **vehicle** has been repaired, is to be repatriated or is **beyond commercial economical repair**;
- The costs of meals or any other extra costs and expenses; or
- Any costs during the receipt of any benefits under Section F3.

### Section F6. Replacement driver

#### What is covered

If the only **driver** of the **vehicle** in the **party** is declared medically unfit to drive by a registered doctor during a **journey** in **Europe** during the **period of cover**, we'll arrange and provide a replacement driver to drive the **vehicle** and the **party** to the **journey** destination or **your home**. Written confirmation from the treating hospital or medical expert that the **driver** is unable to drive will be required.

#### What is not covered

- A replacement driver if there is another qualified **driver** in the **party** who is fit and legally able to drive the **vehicle**;
- A replacement **driver** where the driver knows of a medical condition that may prevent them from driving the **vehicle** before the **driver** starts the **journey** and there is no alternative **driver** within the **party**; or
- Any expenses which the **driver** or the **party** would have had to pay if the **driver** had not been declared medically unfit to drive.

### Section F7: Vehicle break in – emergency repairs

#### What is covered

In the event of damage to windows, windscreens or locks of a **vehicle** caused solely by forcible entry or attempted forcible entry of the **vehicle** in **Europe** during a **journey** during the **period of cover**, **we** will, subject to the overall limits of cover, either provide cover for the cost of immediate emergency repairs to the damage to enable the **driver** to continue the **journey** or the cost of recovery of the **vehicle** to a local repairer for repairs to be carried out, up to a maximum of £175.

The **driver** will need to pay these costs and **you** can **claim** these costs back from **us** by completing a claim form.

The matter must be reported to the police before contacting **us** and a written report must be obtained from the police. **You'll** need to provide a copy of the police report to **us** when **you** make **your claim** under this Section.

#### What is not covered

- Any costs if the **driver** does not report the matter to the police before contacting **us** or does not obtain a police report;
- The cost of any parts required to repair the **vehicle**;
- Repair costs not directly necessary to enable the **vehicle** to continue the **journey**; or
- Costs over £175, inclusive of recovery costs.

#### Important

If there is a forcible entry or attempted forcible entry of the **vehicle** **you** can only **claim** under this Section. **We'll** not provide any other benefits described in this Section F. Should the **vehicle break down** or be involved in a **road traffic accident** in the same **journey**, **we'll** provide the relevant service in line with the relevant Section(s) of cover.

**You** should always contact the motor insurance company that insures the **vehicle** first before calling **us**.

## Section F8: Vehicle repatriation

### What is covered

If a **vehicle** has **broken down** or been in a **road traffic accident** in **Europe** during a **journey** during the **period of cover** and, following a **service provider** attending in accordance with Section F2, the **vehicle** cannot be repaired by the planned return date to the **territory**, **we** will arrange and pay for:

- storage of the **vehicle** and any **caravan** or **trailer**, while awaiting repatriation by **us** in accordance with this Section; and
- repatriation of the **vehicle** and any **caravan** or **trailer** by road transporter from the place of the **breakdown** or **road traffic accident** or the local repairer to **your home** or a repairer in the **territory** chosen by the **driver**, providing the cost is not more than the **market value** of the **vehicle**, **caravan** or **trailer**. If the cost of repatriation is more than this, **you** or the **driver** will have to pay the balance between the **market value** of the **vehicle**, and any **caravan** or **trailer** on tow at the time of the **breakdown**, and the cost of repatriation before service is provided.

If the **vehicle** has been in a **road traffic accident** that is covered by a motor insurance policy, **we'll** follow the insurers' decision on whether to have the **vehicle** repatriated. The insurers may alternatively decide to authorise repairs abroad or determine that the **vehicle** is **beyond commercial economical repair**.

### What is not covered

- Any storage charges or repatriation costs not authorised by **us** or while **we're** awaiting a decision from the motor insurer;
- The cost of repatriation (including storage charges) if **we** determine (acting reasonably) that the **vehicle** is **beyond commercial economical repair**;
- The cost of repatriation (including storage charges) if the **vehicle** is roadworthy;
- Transportation costs for any personal belongings, valuables or luggage. Any items left with the **vehicle**, **caravan** or **trailer** for recovery are left at the **driver's** own risk;
- **We're** unable to transport any animals in the **vehicle**, **caravan** or **trailer**. **We** cannot guarantee that **we** can arrange transport for any animal. Any onward transportation is at **our** discretion and solely at the **driver's** risk. **We** will not insure any animal during any onward transportation **we** may undertake;

- Any repairs required to the **vehicle** and associated costs following repatriation;
- Any repatriation that is not authorised by the insurer if the **vehicle** has had a **road traffic accident** covered by the motor insurer;
- Any cancelled repatriation as a result of **you** or the **driver** failing to leave keys for the **vehicle, caravan or trailer** or keys for any roof box with the **vehicle, caravan or trailer**; or
- Any **claim** if the **vehicle, caravan or trailer** is being repatriated, and customs in any country find its contents are breaking the law of that country.

If **you** have any enquiries relating to **your** repatriation, please contact **us** on 0330 159 0342.

### Important

Once repatriation is authorised by **us** it normally takes 8–14 working days for the **vehicle, caravan or trailer** to be delivered from most countries in western **Europe** to the chosen address in the **territory**. At busy times and from some other European countries (particularly from eastern and northern **Europe**) it may take longer. **We'll** discuss the likely timescales for repatriation with you in the event that repatriation is required.

It is **our** decision alone whether to repatriate or repair locally a **vehicle** which cannot be driven as a result of a **breakdown** or **road traffic accident** except where the **road traffic accident** is covered by a motor insurance policy. If the **vehicle** has been in a **road traffic accident** that is covered by a motor insurance policy, **we'll** follow **your** insurers' decision on whether to have it repatriated. The insurers may alternatively decide to authorise repairs abroad or determine that it's **beyond commercial economical repair**.

Repatriation cannot be used to avoid repair costs. **We'll** only repatriate if **we** consider that the **vehicle** cannot be repaired by the driver's planned return date to the **territory**, and not as a result of any other request.

If the **vehicle** is **beyond commercial economical repair**, **you'll** have 10 weeks in which to advise **us** of how **you** wish to recover or dispose of it. If **you** do not contact **us** within 10 weeks **you'll** be considered to have authorised **us** to dispose of it as **we** choose.

If a **vehicle** and any **caravan** or **trailer** is to be repatriated and has been fitted with a roof box or bicycle rack, the **driver** must remove it and place it inside the **vehicle, caravan** or **trailer**, if possible. If the **driver** cannot do so, the roof box or bicycle rack can be left on the **vehicle, caravan** or **trailer**. The roof box keys need to be left with the **vehicle, caravan** or **trailer** keys in the event that customs require access. Failure to leave the required keys with the **vehicle, caravan** or **trailer** may result in the cancellation of the repatriation and **you** or the **driver** may be required to collect the **vehicle, caravan** or **trailer**.

If a **vehicle** and any **caravan** or **trailer** is to be repatriated, **you** should check with **your** motor insurers that it will be covered in transit for loss or damage and that the contents are also covered. This Section F will not cover any **vehicle, caravan** or **trailer** or their contents during transit.

### Section F9: Collection of vehicle left abroad for repair

Cover under this Section is only available where **we** have agreed with **you** that the **vehicle** will remain in **Europe** for repair and not be repatriated under Section F8.

#### What is covered

If a **vehicle** has **broken down** in **Europe** during a **journey** during the **period of cover** and, following a **service provider** attending the **breakdown** in accordance with Section F2, the **vehicle** cannot be repaired by the planned return date to the **territory** and the **driver** and the **party** have been repatriated to **your home** under Section F3, **we'll** arrange and pay for one person to collect the **vehicle** and return it to the **territory**, by any one or a combination of:

- second/standard class rail and other public transport fares (including ferry fares) for one person to travel to the **vehicle**;
- additional ferry fares from the **territory** to **Europe** and back for a **vehicle** and one person; and/or
- local taxi fares authorised by **us** in advance.

**We** will also pay a contribution towards single room accommodation (room only) for one person, up to a maximum of £50 per night if necessary, to complete the round trip.

### What is not covered

- fuel and oil costs, personal insurance or any other extra costs;
- the costs of meals or any other extra costs and expenses;
- First class rail fares;
- costs for more than one person;
- transportation costs for any personal belongings, valuables, animals or luggage; or
- any storage charges once **you** or the **driver** have been notified that the **vehicle** is ready for collection.

### Important

Any decisions as to whether the **vehicle** can be repaired abroad so that **you** (or someone nominated by **you**) must return and collect it on completion of the repair or that the **vehicle** cannot be repaired and must be repatriated will be determined by **us** in accordance with Section F8.

### Section F10: Accidental damage to or loss of tent

#### What is covered

If the **driver** is camping in **Europe** during a **journey** during the **period of cover** and the **driver's** tent is damaged accidentally making it unusable or the tent is stolen, **we** will, subject to the overall Limits of cover, choose (at **our** discretion) to provide cover for the cost of either:

- accommodation expenses of up to £35 per person in the **party** per night for up to 3 days; or
- a replacement tent (provided it has been authorised by **us** in advance) up to a maximum of £250.

The **driver** will need to pay these costs and **you** must **claim** them back from **us** by completing a claim form.

The matter must be reported to the police within 24 hours of the tent being stolen and before contacting **us** and a written report must be obtained from the police.

**You'll** need to give a copy of the police report to **us** when **you** make **your claim** under this Section. The written report must be given to us within 14 days.

**What is not covered**

- damage to the tent caused by weather conditions;
- the cost of a replacement tent not authorised by **us**;
- the costs of meals or any other extra costs and expenses; or
- any accommodation costs if **you** have alternative accommodation available for use.

**Section F11: Customs duty indemnity**

**What is covered**

Customs claims for import duty if the **vehicle** is **beyond commercial economical repair** as a result of a **breakdown** in **Europe** during a **journey** during the **period of cover** and it has to be disposed of abroad under customs supervision.

**What is not covered**

Any import duties not relating to the **vehicle**, **caravan** or **trailer**.

**Section F12: Urgent message relay service**

**What is covered**

**We'll** relay urgent messages to the **driver's** immediate relatives or close business associates if the vehicle cannot be driven because of **breakdown** or a **road traffic accident** in **Europe** or in the **territory** during a **journey** during the **period of cover**.

**What is not covered**

Cost of relaying any urgent message not arranged through **us**.

### General conditions for this Section F

In addition to the general conditions, the following conditions apply to this Section F. If any **driver** does not comply with these conditions **we** may not be able to provide cover under this Section F.

- the **driver** must make sure the **vehicle**, (including any **caravan** or **trailer** attached to it) meets all relevant laws of the countries visited during a **journey**. This particularly includes weight limits for towing;
- **we** will require the **driver's** credit card details if **we** arrange a service for the **driver**, which is not covered by the **RAC Breakdown Cover** or if it exceeds the limit set for each benefit;
- exchange rate: Any costs that are incurred directly by **us** in a currency other than GBP will be converted to GBP at the exchange rate used by **us** at the time. Any costs that are incurred by **you** or the **driver** in a currency other than GBP and which are recoverable from **us** under this Section F, will be converted to GBP at the exchange rate used by **you** or the **driver's** credit or debit card provider (in the case of card payments) or used by **us** at the time **you** present the **claim** (in the case of cash payments);
- eligible persons: **Drivers** must be a permanent resident in the **territory** during the **period of cover**; and
- the **vehicle** must be maintained in accordance with the manufacturer's recommended service standards.

### General exclusions for this Section F

In addition to the general exclusions, the following exclusions will apply to this Section F:

- if the **driver** fails to contact **us** within 24 hours of becoming aware of the **breakdown we** may refuse to provide cover in relation to the **breakdown**;
- any costs which the **driver** or passengers would have had to pay if the **breakdown** or **road traffic accident** (as applicable) had not occurred;

- replacement vehicles:
  - the provision of convertibles, any specific car type or model, specially adapted vehicles or vehicles with a tow bar, roof rack or automatic gearbox; or
  - the provision of a replacement caravans or trailers.

Please note **your** cover under this Section F does not extend to any replacement vehicle.

- any **breakdown** or **road traffic accident** caused directly or indirectly by the overloading of a **vehicle** under the laws in any country in which the **vehicle** is travelling;
- any personal belongings, valuables, luggage, goods, vehicles, boats in or on a **vehicle**. The **driver** is responsible for the care of these items at all times;
- any **breakdown** or **road traffic accident** caused directly or indirectly by:
  - running out of oil or water;
  - frost damage; or
  - rust or corrosion;
- any **claim** which **you** or the **driver** could make under any other insurance policy. If the value of the **claim** is more than the amount **you** or the **driver** can get from any other insurance **we** may pay the difference. If **we** do make a payment it will not be more than the appropriate benefit limit under this Section F;
- if the **breakdown** or **road traffic accident** is caused by flooding brought about by adverse weather **we'll** only arrange for the **vehicle** to be taken to a local repairer. All further service will be at the **driver's** cost, or must be referred to the **vehicle's** motor insurer;

- any travel outside the **territory** and **Europe**;
- routine servicing of the **vehicle**, replacing tyres, replacing windows, replacement of missing\* or broken keys. **We** may be able to arrange for the provision of these services but the **driver** must pay for any costs incurred.

\*Keys which are locked inside the **vehicle** are covered and **we** can arrange for a **service provider** to attend. However, any damage which may occur in trying to retrieve the keys will be at the **driver's** risk and the **driver** must pay for any costs incurred.

If the **vehicle breaks down** as a result of a problem with its tyre, **we'll** give assistance to change the tyre using a serviceable spare tyre carried by the **vehicle**. If the **vehicle** doesn't have a serviceable spare tyre, General exclusion 16b(i) will apply.

## Renewal terms

As part of Sainsbury's Bank commitment to you, Sainsbury's Bank will notify you in good time before the end of your policy term that your car insurance renewal is due.

Subject to your rights to cancel, the additional products outlined in this booklet will remain in force for the duration of your Sainsbury's Bank car insurance as shown in your Policy Schedule.

Sainsbury's Bank will also review these insurance products on a regular basis so it can continue to deliver value for money and ensure the best quality. This may from time to time involve changing these products.

Before Sainsbury's Bank renews your policy, Sainsbury's Bank may review your past claims history. As a result of this review, Sainsbury's Bank may not offer you the same type or level of cover at renewal.

### Automatic renewal

If Sainsbury's Bank offers to renew your policy automatically, you give Sainsbury's Bank permission to do so on the basis of the renewal premium and policy conditions, details of which will be sent to you before the renewal date. If you do not wish Sainsbury's Bank to do this, you can make this known before the renewal date by calling: **0345 266 1620**.

In a small number of cases, Sainsbury's Bank won't automatically renew your policy. You'll be informed of this in your notice of renewal, if this is the case. Some of the reasons why your policy may not be automatically renewed include:

- you have previously informed Sainsbury's Bank that you don't want to automatically renew your policy;
- the underwriter is unable to provide you cover for another year;
- you've an outstanding debt on your current policy.

If you don't want to renew your policy, or wish to opt out of the automatic renewal process, please let us know before your renewal date. You can contact: **0345 266 1620**.

If you cancel the policy outside the 14 day period you'll receive a pro-rata refund of your premium proportionate to the amount of time left to run on the policy. An administration fee, as shown in your schedule, may apply.

In either circumstance, the effective date of cancellation will be the date that you request the policy be cancelled or when the cancellation request is received, whichever is the latter.

### **Transferring your information**

Sometimes we need to give information to our agents and subcontractors so that they can provide a particular service for us. In these circumstances we will always take great care to ensure that these suppliers apply the same levels of protection, security and confidentiality we apply so that your personal information is kept safe and secure. Such information may be accessed by law enforcement agencies and other authorities to prevent and detect crime and comply with legal obligations.

## Sensitive personal information

Some of the personal information we ask you for may be considered 'sensitive data' for the purposes of data protection legislation (e.g. details of any driving offences). This information shall be used solely for the purposes of providing you with a quote and providing you with a policy. If you withdraw your consent to us processing this information at any time during the term of your policy, we will be unable to continue to provide you with your policy and your policy will be terminated.

## Dealing with other people

We are able to deal with your spouse or partner who calls us on your behalf, provided they are named on the policy. If you would like someone else to deal with your policy on your behalf on a regular basis please let us know and we'll tell you which information we need.

In some exceptional cases we may also deal with other people who call on your behalf, with your consent. If at any time you would prefer us to deal only with you, please let us know.

## Who we will share your information with

We will keep any information you have provided to us confidential. However, you agree that we may share this information (other than financial and transactional information) with other companies within the Sainsbury's Group (as detailed in our Privacy Policy, which we may amend from time to time). Please see our Privacy Policy (found on our website at <https://www.sainsburysbank.co.uk/legals/leg-reg-privacy-policy>) for more details about how we and Sainsbury's Group will use your information".

If you have a Nectar Card then details relating to your Nectar Card and number of points will be passed to Sainsbury's Supermarkets so that the Nectar Programme can be administered. Other members of our group may also share your information (but not financial details) to help keep their records up to date and administer your relationship with them.

## Fraud prevention and anti-money laundering

We have systems which protect our customers and ourselves against fraud and other crime.

In order to prevent and detect fraud, we may at any time:

- share information about you with other organisations including the police;
- conduct searches about you using externally available databases and insurance industry application, policy and claims checking systems;
- undertake credit searches;
- check and/or share your details with fraud prevention and detection agencies.

If false or inaccurate information is provided and fraud is identified, details will be passed to fraud prevention agencies. Law enforcement agencies may access and use this information. We and other organisations may also access and use this information to prevent fraud and money laundering, for example when:

- checking details on applications for credit and credit related or other facilities;
- managing credit and credit related accounts or facilities;
- recovering debt and tracing beneficiaries;
- checking details on proposal and claims for all types of insurance;
- checking details of job applicants and employees.

We and other organisations may access and use from other countries the information recorded by fraud prevention agencies.

Please contact us on the number shown on your policy documentation if you want to receive details of the relevant fraud prevention agencies, and how to obtain a copy of your information held by them. The agencies may charge a fee.

## **Financial sanctions**

We and the insurer will use information about you and that of others named on your policy to ensure compliance with financial sanctions in effect in the United Kingdom and internationally. This may include the checking of your information against the HM Treasury list of financial sanctions targets as well as other publicly available sanctions lists. Your information and that of others named on your policy may be shared with HM Treasury and other international regulators where required.
